For Cleaning Compositions And Tablets

PRELIMINARY AMENDMENT

The Assistant Commissioner of Patents

Washington, D.C. 20231

Dear Sir:

Before computing the fees for entering the captioned International Application into the US National Phase, please enter the following amendments.

IN THE CLAIMS:

Please delete current claims 1-15 and replace with the new claims 16-29 below.

16. A cleaning composition or component thereof comprising a compressed clay component.
17. A tablet comprising an active ingredient and a compressed clay component.
18. A tablet, composition or component according to claim 16 obtainable by compressing a clay material to form a compressed clay component and subsequently incorporation of the compressed clay component in the tablet, cleaning composition or component.
19. A tablet, composition or component according to claim 16, wherein the clay component is obtained by compression of a clay material with a pressure of at least 10 MPa.
